NAFA's students have been awarded scholarships and merit awards by the Tan Chin Tuan Foundation. Since 2007, our students have benefited significantly from the Foundation's education awards.

This year, five of our deserving students from the School of Art & Design, School of Arts Management, Dance & Theatre and School of Music were recognised by the Foundation for their outstanding academic results and excellent track records. They comprise:

- Wong Yi Ying, Diploma in Fine Art - Tan Chin Tuan Scholarship for Creative Education (Diploma)
- Chua Wei Sheng, BA(Hons) Spatial Design - Tan Chin Tuan Scholarship for Creative Education (Degree)
- Chia Li Ting, Diploma in Music - Tan Chin Tuan Merit Award (Diploma)
- Kylie Tamara Bragg, Diploma in Fine Art - Tan Chin Tuan Merit Award (Diploma)
- Nanda Astari, BA(Hons) Creative Industry Management - Tan Chin Tuan Merit Award (Degree)

Our students also had the privilege of attending a tea session held on 26 November 2015, organised by the Foundation to meet with its Council members and various school representatives to interact and learn more about the Foundation and its origins.

Established in 1976 by the late Tan Sri (Dr) Tan Chin Tuan, the Foundation has contributed extensively to the society in numerous ways for the less fortunate. It supports causes that are viable and sustainable with definable social outcomes.
