

## Songs for Mothers with Love

On Mother's Day, 12<sup>th</sup> May 2019, 40 Yong-en's seniors were treated to Tan Chin Tuan Centennial Concert Series at the Esplanade - Mother's Day Special 《母亲节特备节目：献给妈妈的歌》.

Hosted by bubbly host Lee Peifen, the concert featured singers belting out familiar well-loved Chinese hits from yesteryear including songs by Zhou Xuan, Teresa Teng, Qing Shan and more.

“I am surprised to see young performers singing songs from my childhood. And they did very well!” - one of our senior attendee.

Our grateful thanks to Tan Chin Tuan Foundation for gifting our beneficiaries who are mothers a special concert to look forward to year on year!
